

Leadership Style - Reflection sheet

Reflect on your most recent interaction with a student or colleague regarding a challenge or setback.

What was the first thing you addressed?

Did you focus on the mistake, the gap in skill, or the rule broken?

The Leadership Theory Response: How could you have applied one of the three theories?

**Transforma
tional**

How could you have inspired them to tackle the issue by appealing to their commitment to the school's vision?

Servant

How could you have removed a barrier or offered a resource to ease their burden?

Authentic

How could you have ensured your feedback was delivered with absolute transparency and fairness?
